

REMARKS

Applicants note with appreciation the allowance of claims 1-39.

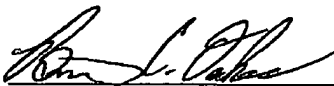

Applicants also note that the Office Action requests clarification of the name of inventor Eric Yang. Specifically, the Office indicated that in the application data sheet filed August 25, 2003, Mr. Yang was identified as "Eric" Yang and in the application data sheet filed on October 3, 2003, Mr. Yang was identified as "Yongwen" Yang. Applicants respectfully submit that Eric is the informal "nickname" of Mr. Yang, while "Yongwen" is his given name. The declaration and application data sheet filed on October 3, 2003 served to correct his name. Unfortunately, as the Examiner correctly points out, neither Applicants nor the Office noted the correction and continued to use Mr. Yang's nickname. However, now Applicants respectfully request the record be corrected in the USPTO system to indicate Yongwen Yang. Applicants respectfully submit that this should clarify any confusion regarding Mr. Yang's name.

Applicants respectfully request that the objection in the Office Action be withdrawn and the case allowed.

The Examiner is invited to contact the undersigned at 302-633-2770 to discuss any matter concerning this application.

Respectfully submitted,

Applicants
Yongwen Yang, et al.
